January 2020

Dear Friend,

Are you ready to Bowl for Kids' Sake?

This year we are making major changes to max out the bowling center with 32 teams all in one day, all in one place on **Saturday**, **April 18th at 3pm at Camelot Bowl in Collinsville.** 

As in years past, we are asking you to organize a team of five of your friends, family or colleagues and fundraise \$500 as a team by rallying your network to pledge for the cause.

We've attached instructions for securing your team's spot and setting up your online fundraising page to start generating pledges. We are asking every team, and bowler, to set up an online fundraising page by April 1st regardless if you plan to collect cash or check pledges. This will be how you officially reserve your spot at the event, as space is limited.

Keep in mind, if you don't bowl or can't make it to the event, you can always register as a "Virtual Bowler" and make a difference by setting up a fundraising page and collecting pledges.

Please contact Christina Cathcart, Community Engagement Manager, for questions or support at christinac@bbbsil.org or 618.239.4078.

Together we are Defenders of Potential.

Sincerely,

Heathstreed
